**SIR:**

This is in reply to the decision mailed on February 22, 2005 in response to applicants' submission filed in the United States Patent and Trademark Office on January 24, 2005. In that decision, applicants' submission of the two declarations of inventors were deemed not to be in compliance with 37 CFR 1.497(a)-(b) since they failed to identify the specification which is being executed. Specifically, the declarations identified the specification as being "attached hereto".

Enclosed please find two copies of the original and complete declarations presented to and signed by the inventors of the subject application with the specification referred to within the declaration attached to each.

A due date of one month from the date of mailing of the decision was noted.

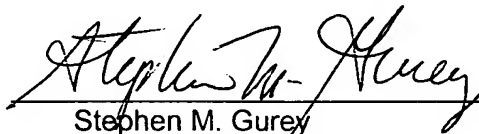

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner of Patents and Trademarks, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, VA 22313 on February 28, 2005.

The timely filing of the requested original and complete copies of the declarations and attached specification should hopefully satisfy the requirements of 37 CFR 1.497(a)-(b) to avoid abandonment of the subject application.

In the event of nonpayment or improper payment of a required fee, the Commissioner is authorized to charge or credit **Lucent Technologies Deposit Account No. 12-2325** as required to correct the error.

Respectfully,

Stephen M. Gurey
